

LIONS INTERNATIONAL MULTIPLE DISTRICT 411

COUNCIL CHAIRPERSON 2024/2025

Eng. Dr Dans Nshakanabo Naturinda

DISTRICT GOVERNORS

411A – Dr Moez K. Manji

411B – Benon Kataate

411C – Habil Khanbhai

Dear esteemed Lions and Leos

Our 22nd MD411 Convention is here with us. On behalf of the MD411 Council and on my own behalf, I would like to welcome all delegates to this, the biggest event of our Multiple District, being hosted in the beautiful city of Naivasha, Kenya.

The MD Convention brings all of us Lions and Leos together, to celebrate our achievements in serving our communities and expanding our fraternity. It is also an opportunity to meet and fellowship with our friends, as we also make new friends across different countries of our Multiple District and beyond. We also use the same event to shine a light on the performance of our leaders at different levels, and to usher in new leaders that would take our fraternity to another level over the course of the following year. It is an event no Lion or Leo should miss for anything.

The City of Naivasha is a tourist hub for many visitors to the Republic of Kenya, as well as the nationals. It presents our delegates with great opportunities to explore nature, enjoy the local culinary choices, experience new cultures, and bask in the high-class hospitality that the city brings to the table. This is a dream convention experience for every Lion and Leo, and we encourage every delegate to make the best of it.

This Lions Year has been a year of the mission to grow our membership like never before, so we can better meet the growing needs of our communities. Under Mission 1.5, we have challenged ourselves to make a contribution to increasing our global membership to 1.5 million Lions. It has been a fulfilling journey that has enabled us to logically tie our service efforts in the call for more hands to serve by attracting more members and creating service opportunities in new areas. We have refocused our leadership programs as well, to purposefully influence our members and our Clubs to support the mission. The journey is still on. Let us use the convention as an opportunity to compare notes, share experiences, and rededicate ourselves to aiming high enough to achieve and even exceed our goals.

The organizing team has put together a rich convention package to enhance the convention experience of every delegate and bring out the best of what we have come to expect at our conventions. The meals, the ambience of venues, entertainment, and the general hospitality, have been immaculately conceived to exceed every delegate's expectations. Our GLTs have put together learning opportunities to add value and knowledge to all our delegates. Leos will also have their second Leo Multiple District Convention, with a provision for them to be part of the main celebrations.

Our sincere appreciation to the organizing team for the time, effort and creative ideas they have invested in giving us the best convention experience. I also wish to thank each and every delegate for committing to be part of the experience and making this convention memorable.
