

**23RD MULTIPLE DISTRICT 411 CONVENTION, DAR ES SALAAM, TANZANIA**  
**MESSAGE FROM THE MD411 VICE CHAIRPERSON**

In the Name of God, the Most Gracious, the Most Merciful.

Dear Esteemed Lions and Leos of Multiple District 411,

Warm greetings to you all.

With deep gratitude and humility, I extend my heartfelt greetings and best wishes to each and every one of you. It is indeed a privilege and an honour to address such a dedicated family of Lions and Leos who continuously uphold the true spirit of service, fellowship, and unity.

On behalf of the Multiple District Convention Organizing Committee, I respectfully and humbly invite all Lions and Leos of District 411 to grace this Multiple District Convention with your valued presence and active participation. Your continued support, commitment, and Lionistic enthusiasm are the pillars that give strength and meaning to our collective efforts. Your involvement will not only enrich the convention but will also inspire fellowship, learning, and a deeper sense of togetherness among us all.

This convention has been thoughtfully planned to provide a platform for meaningful learning, constructive dialogue, sharing of experiences, and strengthening the bonds that unite us as one Lions family. It is our sincere hope that these few days together will rekindle our passion for service and renew our dedication to serving humanity with compassion, humility, and love.

We truly look forward to welcoming you, sharing ideas, building friendships, and walking together on this beautiful journey of Lionism. May this gathering be a source of inspiration, unity, and renewed commitment to our noble mission.

With sincere regards, warm wishes, and prayers for your continued success in service,

Celebrating Service, Creating Change.
