

23RD MULTIPLE DISTRICT 411 CONVENTION, DAR ES SALAAM, TANZANIA

MESSAGE FROM THE D411C DISTRICT GOVERNER

Dear Fellow Lions and Leos of our Multiple District 411,

Warm greetings in the spirit of Lionism!

On behalf of my First Lady Lion Kala, entire district 411C and myself, it gives me immense pleasure, as your Host District Governor, to welcome you all to the 23rd Multiple District 411 Convention, being held in Dar es Salaam – the “Heaven of Peace.” This convention marks a defining moment of unity, learning, and celebration as we come together to strengthen our bonds and renew our shared commitment to serve humanity.

With heartfelt joy, I extend our warmest welcome to our Convention Chief Guest, 3rd Vice International President Lion Tony Benbow, and his gracious lady Sue. Your presence brings Honor and inspiration to this gathering. We are equally privileged to welcome our very own 2nd Vice International President, Dr. Manoj Shah, and his gracious lady Jayna Shah, whose leadership and vision continue to uplift Lions across the world.

Guided by our inspiring theme, “Aspire to Inspire,” let this convention rekindle our passion for service, leadership, and fellowship. I invite each delegate to experience not only the vibrant sessions and camaraderie but also the warm hospitality that Tanzania is renowned for. Take time to explore our majestic national parks and the serene beauty of Zanzibar, the true gems of our nation.

As we gather in the spirit of service, let us also stand firmly behind Mission 1.5 — our global call to grow stronger together. Let us each pledge to inspire new members, nurture existing ones, and strengthen our clubs through meaningful action and unity of purpose. Growth is not just in numbers, but in our ability to serve more people, touch more lives, and create lasting impact in our communities and beyond.

I also take this opportunity to congratulate the Organizing Committee under the able leadership of PCC Lion Rizwan Qadri for their tireless efforts, dedication, and excellence in preparing for this grand convention. Their commitment truly reflects the spirit of teamwork and Lionistic pride.

Together, let us make this 23rd MD411 Convention a memorable experience — one that inspires us to grow, to serve, and to continue to ignite the Lion within!

With Lionistic Regards,

Lion Manish Chavda

PMJF & District Governor,
District 411C
